

Easter Indoor Gathering at LBC

Sunday AM - 9:00 (includes LBCKids)

Sunday AM 11:00 (no children's program offered)

Both services will be streamed live and recorded for later viewing

In order to help us manage the 200 person limit for each service we are asking that everyone pre-register before coming to the service. Your registration implies that you understand and agree that risks are involved in attending worship in person and that you agree to comply with requested guidelines listed below.

Registration is on a first come, first serve basis. Since LBC Kids is only offered during the 9:00 service, we would encourage those without children in this program to consider attending the later service to ensure adequate room for families in the early service.

Guidelines

If you are in a high risk group or are at all uncomfortable with gathering for any reason, please do not feel compelled to do so.

Our services will be streamed live as well as recorded and made available for later viewing.

If you are ill, please do not attend.

If you are not feeling well in any way, we request that you refrain from attending the indoor services.

Masks are required to enter the building and attend the services.

Please bring your own mask. We will have a limited number available for those without a mask.

When you arrive please enter through the Main Doors only and make your way directly to a seat in the sanctuary.

In order to maintain a safe environment and respect the concerns of others, please do not remain in the foyer longer than necessary. That will help us to maintain social distancing. We ask that you refrain from handshakes, hugs, hi-fives and other forms of personal contact. We understand that this will be very difficult, but it will show we are serious about adhering to recommended guidelines. Hand sanitizer will be available as you enter the building.

We ask that you use the restroom only if you must.

Please use the restroom before coming to church as access will be limited in use. Bathroom surfaces will be disinfected between services or as needed.

When the service concludes please exit promptly through the Main Doors or the Office Doors.

Since we are trying to maintain a safe environment we ask that you not remain in the building and that you take all of your personal property with you when you leave. If the weather permits you can meet together outside the building on the side lawn. Please remember to use all the standard precautions when doing so.

We will disinfect the church between services.

We will ask that you leave the service promptly after it concludes and may ask you to wait outside before entering to allow us time to clean.

LBCKids is being offered at the first service on Sunday morning only. Online resources will continue to be available.

Children's Ministry resources can be found [HERE](#). The children should be signed in before the service begins. Adults picking up children from LBC Kids will be asked to exit the building through the skylight area with their children.

We will not be offering coffee at this time, but you are welcome to bring your own.

Please be considerate. If you bring a coffee or other beverage please remember to take it when you leave. We will be following a carry in / carry out policy. That is whatever you carry with you into the service must be carried out by you when you leave. This is so that our volunteers won't need to clean up after you.

“Wiggle” rooms will be available for those families with small children.

We know it may be difficult for families with small children to stay in the sanctuary. A limited number of shared “Wiggle” rooms will be available for those families. Please be mindful of others sharing the room.

For additional questions, please email lbc@lincrfotbiblechurch.org
