

Hello Friends/Family!

Around three or four years ago, my mom signed my siblings and I up for the Youth Group at Lincroft Bible Church. Since then, I've been an avid participant, joining them every Sunday for prayer. Never in my life have I known more of the Bible and loved and understood Jesus more. I've been united with Christ at a level I didn't think I could achieve, and I've met some of the best friends there.

In four months, the Lincroft Bible Church Youth Group will be traveling to Kansas City, Missouri for Challenge. Challenge is our church network's national youth conference. We will be serving the city of Kansas City, as well as learning more about who Jesus is and how to find peace in him.

My hope is that with your help I will be able to join my fellow Youth Group friends on what will be my first ever missions trip.

So far I have raised **\$315/\$1,300** needed for the plane ticket, room/board, and food. If you so choose, please send a check with "MY NAME HERE/Challenge" on the memo line made out to Lincroft Bible Church (790 Newman Springs Road, Lincroft). You can also give online through the church website: <https://www.lincroftbiblechurch.org/donate> (fee associated, 1.75%) and give to the "Youth Summer Missions" in the drop-down menu.

Thank you, and God bless.
