

2026 LBC Bible Reading Plan

The LBC Bible reading plan 2026 has five readings per week and will focus on the Old Testament. A common way to utilize the plan is to read one chapter every weekday and leave the weekends as a buffer in case of a missed reading.

In the time of Jesus, the Jewish people often divided the Bible into three sections: the Law, the Prophets, and the Writings. This reading plan rotates through books of the Bible in each of those sections to give you a sampling from the entire Old Testament canon, beginning with Genesis (the Law), Proverbs (the Writings), and Ezekiel (the Prophets).

Reading one chapter a day, five days a week is a great way to begin understanding the whole scope of God's story. There are also other ways to dig deeper into your Scripture reading. These suggestions are drawn directly from the Navigators Bible Reading Plan:

1. Underline or highlight key words or phrases in the Bible passage. Use a pen or highlighter to mark new discoveries from the text.
2. Put it in your own words. Read the passage or verse slowly, then rewrite each phrase or sentence using your own words.
3. Ask and answer questions. Questions unlock new discoveries and meanings. Ask questions about the passage using these words: who, what, why, when, where, or how. Jot down your answers to these questions.
4. Capture the big idea. God's Word communicates big ideas. Periodically ask: What's the big idea in this sentence, paragraph, or chapter?
5. Personalize the meaning. Respond as God speaks to you through the Scriptures. Ask: How could my life be different today as I respond to what I'm reading?
